

tDAR Workshop Hosted by the Center for Digital Antiquity and the Arizona Archaeological Council

**Arizona State University, Tempe Campus
May 13, 2011**

The Center for Digital Antiquity and the Board of Directors of the Arizona Archaeological Council (AAC) invite all AAC members to a **workshop** to introduce the new international archaeological digital repository, the Digital Archaeological Record (tDAR).

The workshop will be held from 2:00 p.m. to 4:30 p.m., Friday, May 13, 2011, on the Arizona State University Tempe campus.

All AAC members, as well as all prospective members, are welcome and encouraged to attend.

For those of you interested in joining our organization, we will have opportunities to sign up at the workshop. Come see what membership has to offer!

The workshop will

- introduce participants to tDAR;
- demonstrate tDAR's utility for accessing archaeological information for background research and data analysis; and,
- show how tDAR serves as an essential archive for the long-term preservation of digital archaeological documents, data sets, images, and other files.

The building and room location of the workshop will be determined based on the number of registrants.

Before the workshop, the AAC Board of Directors will hold our **quarterly meeting** in Conference Room 254 at the School of Human Evolution and Social Change on campus from 12:00 p.m. to 1:45 p.m. All AAC members are encouraged to attend.

Following the workshop, a cash-bar **reception**, co-sponsored by the AAC and the Center for Digital Antiquity, will be provided for all workshop participants. The reception will be held at the University Club, Bistro Room on campus from 5:00 p.m. to 6:30 p.m. Complimentary hors d'oeuvres and non-alcoholic drinks will be provided.

Please come and enjoy what should be an exciting and informative workshop and come learn what tDAR can offer! ***If you are interested in participating in the workshop and reception, please R.S.V.P. to aacboard@gmail.com. Please indicate how many will be in your party, and if you will also attend the Board meeting as well. Please R.S.V.P. no later than May 1, 2011.***

Free parking for all three events will be available at the Apache Road and Fulton Center parking structures on campus and a map showing the location of the structure will be emailed to all planning to attend.

We are looking forward to seeing all of you there!

William Graves
President, Arizona Archaeological Council
